

St Ives Rowing Club Safety Policy

St Ives Rowing Club is committed to the safety of its members and its guests whilst they are engaged in club related activities. In meeting this commitment, the Club shall adopt the British Rowing (formally ARA) Safety Policy, 'Row Safe' a guide to good practice in rowing.

The guidance presents information under five headings:

- Risk Management
- Equipment
- Participants
- Monitor
- Health

Each with separate topic areas following the same format:

- responsibilities
- minimum standards
- further good practice
- further information

Responsibilities

St Ives Rowing Club shall apply the guidance for the allocation of responsibilities.

Minimum standards

St Ives Rowing Club shall comply with the guidance for meeting minimum standards for shall and must statements. For all other statements St Ives Rowing Club will use best and reasonable practice for all that is applicable.

Further good practice

St Ives Rowing Club will use best and reasonable practice for all that is applicable.

Further information

St Ives Rowing Club will use further information guidance and development
